“ I want to send my deepest sympathy to the family of Mr. William Smith
The bible tells us we can gain comfort from God, even during times of sorrow. We pray to our heavenly father for help to cope with the sorrow felt from the death of a loved one.
By prayer and supplication along with thanksgiving, let your petitions be made known to God; and the peace of God that surpasses all understanding will guard your hearts and your mental powers by means of Christ Jesus. Philippians 4:6
May you find comfort by relying on our heavenly father and learning more about the blessings of God's kingdom.

“ *Diane,*

My thoughts and prayers are with you and your family. I will always remember how nice William spoke with me whenever I called you and he answered the telephone first. I will also remember how well he was dressed whenever I saw him. He was always dressed in his "Sunday's Best". God will give you the strength to get you through this difficult time. Remember the fond memories the two of you shared and what a blessing it was when you were able to give him his flowers while he was living.

*Love Always,
Your Cousin LaVorn

“ To the Smith Family and First Lady D Smith. My thoughts and prayers are with you at this time of sorrow. You were and will always be a committed wife to Mr. Smith. I know you will miss him, but God knew what was best for him. As one of his nurses, it was a honor to care for him. Soon and very soon we will all be going home. Keep your head up high. You have done a great job. I pray for all his family, friends, and other relatives. May God richly bless and comfort all of you in this time of bereavement. Thankful for the opportunity to serve.
