“ It still dosent seem real. You will forever be in my heart, you will forever be in my memory. We shared years together of ups and downs. But we continue to love one another and pull thru. I learned so much from you, that even as our course ran we still remain close friends. I will forever be grateful for being apart of your life. I thank God for you. Even in this time our hearts are heavy with sorrow. We can pull through with the good memories of your life. The kind heart you had. That big wide beautiful smile. I could always depend on you. You always kept your word. And you loved big. You are missed dearly. May God keep and be with your family and friends during this time. I pray God gives comfort and peace to all that love you. I pray for strength and guidance through this hurt. Willie J Breeden i will miss you and I love you...RIP my love. 🙏🙏🙏🙏❤️
