“ Sending our deepest condolences to Yvette’s family. Yvette was more than a colleague; she was a true asset to our team. We will deeply miss her dedication and positive attitude and the way she was always ready to lend a hand and find solutions. Her memory will live on through the positive impact she had on all of us.

“ Sending heartfelt love and our deepest condolences to Julian, Juju, Indigo, and family. Yvette was a dear friend and one of the funniest people I know. I met her years ago as a coworker in Duke HR, and she and I had just given birth to Indigo and my son Cory "Moose" just a month apart. We instantly clicked. She was my workout buddy, my partner in crime, and though we lost touch, always a true friend. I am so shocked and sad to hear of her passing. I pray that God gives you all grace and peace to endure this difficult time.
